

Just remember, it's Your Lake!

Kevin moved to the lake area full time in 2012 after owning a second residence at the Lake of the Ozarks for many years. Previously he lived in the O'Fallon, Missouri area. Kevin's hobbies are golfing, boating, and map collecting. He is involved in the Lake Ozark Rotary Club and a member of the Bagnell Dam Association of Realtors. Before moving to the Lake full time Kevin was a commercial banker for Wells Fargo Advisors in the Lending and Banking division. He has over 30 years' experience in real estate, banking, and the title insurance industry.

"I bring my buyers and sellers an enormous amount of experience, resources, and real estate expertise. I work with both buyers and sellers to ensure they have the best experience with one of the largest personal financial transactions they make in their lifetime.

"As a Realtor, I pride myself in establishing long term relationships with my clients. As a seasoned real estate professional I can guide you through the sometimes challenging but always exciting process of buying and selling real estate. Let me show you why I relocated to the beautiful Lake of the Ozarks and why you should invest in your own piece of the lake!"
